

# Party Season

Our very own Creative Director, Greg, shows you how to create a sexy evening look from simple, polished office hair with just a few tweaks

- ① Begin with dry hair...
- ② Apply a little "Shu Uemura" Cotton Uzu and twist...
- ③ Get the hair nice and hot...
- ④ Twist, pin and leave to cool down for a few minutes... (time to do your make-up)...
- ⑤ When cool, unpin and give a little shake...
- ⑥ Spray with "Shu Uemura" Sheer Lacquer.
- ⑦ Ready to go...
